IRON FINGER ART NO. 7802

Multi-purpose, heat resistant pressing tool to use in place of your finger at the iron. Spatula end for finger pressing, point turning and gripping fabric to hold in place. While pressing tiny areas Use handle as a seam roll to press seams open in hard to reach places such as seams and straps without leaving an imprint of seam on right side

of fabric. Press with or without an iron. Soft grip for secure and easy handling. Left/right handed.

POINT 2 POINT TURNER ART NO. 7803

Turn every point perfectly. Features two turner tips, hera marker, finger presser and two curved edges to push out along curved or long seams. Ideal for point turning, detail work, pressing seams or marking fabric. Left/right handed.

HOT HEMMER

ART NO. 7806

Measure, mark, and press hems and more in one step. Great for purse handles, binding, hems, rounded corners, interior and miter corners. Heat resistant, thin, accurate ruler can be pressed with dry/steam iron. Features non-slip surface to hold fabric for precise

HOT RULER

ART NO. 7811

Measure, mark and press hems and more in one step. Great for deep hems, long hems and to miter corners. Heat resistant, thin, accurate ruler can be pressed with dry/steam iron, features non-slip surface to hold fabric for precise results. No more burnt fingers!

ROLL & PRESS

ART NO. 7812

Roll to press seam or fold. The Roll & Press will not pull, stretch or distort fabric and is great when pressing bias. The wheel is tapered to focus pressure on seam and it prevents seam impression on the right side of the project. Features a comfortable, and ergonomic handle. Great to use next to your machines for a quick press before sewing.

Clover Needlecraft's pressing tools are an innovative collection of updated pressing notions. The collection includes hand tools, pressing surfaces, and specialty items. These tools are a perfect starter kit to give your your pressing station an update.
